FAQ'S and Useful Info

Do I need to check in each time I come to Learn to Skate class? Yes, please stop by the check in table when you arrive for class.

Can my family or friend skate while I am in my class? Family members and friends are welcome to skate on the open skate sheet of ice for a guest fee of \$5.00, skate rental is extra.

I own my own skates, can I get them sharpened? Yes, you may leave your skates with the folks at the check in table. There is a \$5.00 fee to have skates sharpened. Make checks payable to the Ice Box Skating Rink. You may pick your skates up at the check in table the next time you come to skate. Please make sure your name is on your skates somewhere.

We encourage all Learn to Skate skaters to skate on the open sheet of ice before or after their class. There is no extra fee for the students and it is great practice for them. The open skate is the same time as class.

Do not walk on cement or the bleachers in your skates without skate guards on!
